

# 2023 WASTE DIVERSION AND RECYCLING

## ARAPAHOE COUNTY AND DOUGLAS COUNTY ENVIRONMENTAL HEALTH PROGRAMS

### HOUSEHOLD HAZARDOUS WASTE

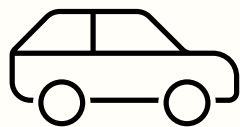

104,000 LBS  
78% RECYCLED

Douglas County, including Parker, Castle Rock, and Castle Pines and SEMSWA's service area in Centennial and unincorporated Arapahoe County offer a Hazardous Household Waste (HHW) Program. The program encourages the responsible disposal of HHW and provides a year-round collection or convenient drop-off to help prevent improper disposal of hazardous materials which can negatively impact water quality.

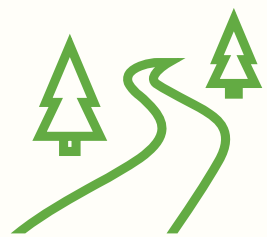

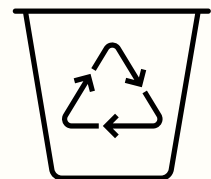

## DOUGLAS COUNTY WASTE AND RECYCLING

Douglas County manages an Electronic Waste Recycling Program open to all residents of Douglas County that encourages recycling of typical electronic waste. This program reduces landfill inputs and reduces impacts on natural resources.

3,500 DROP-OFFS

191 TONS RECYCLED

27 EVENTS  
157 PARTICIPANTS

### ADOPT -A- ROAD

261 BAGS OF TRASH COLLECTED

### YARD WASTE RECYCLING

140 DUMP TRUCK LOADS RECYCLED

The Green Waste Collection and Recycling Program consisted of stationary drop-off locations for all Douglas County residents. This collection helped reduce nutrient pollution in the Cherry Creek Watershed.
